**Summary:** On November 9, 2000, Thomas Escher, President of Red & White Ferry, Inc. ("Red & White") met with Cmmr. Nepper in San Francisco. Escher stated that it was bewildering and unfair that instead of being granted immediate interim relief, he and Red & White have been forced to wait until a final decision is issued in its pending application. Escher also indicated his belief that the procedures that Red & White had been required to endure in order to exit the market will have a chilling effect on market entry.
